

**MERCURY**  
WOOD PRODUCTS™  
SETTING THE TREND™

## **StyleLite Directional Colours**

***Take note of the arrows on the protective film.  
Graphite and Metallic gloss colours are directional.  
All colours noted below should be assembled/installed with the arrows  
in one direction to avoid apparent shade or colour variation.***

### **Peel coat with arrows Gloss only**

Graphite  
Brilliant Pearl  
Champagne  
Silver

***Colours below do not have arrows on their protective  
film as the patterns have a visible direction.***

### **Visible direction Gloss or Velvet**
